

Putting Soul Into Your Management Style

Developing a soul approach to your skills and your colleagues. It provides participants with the tools to approach their management in a sensitive and direct manner.

Aim

To enable participants to harness their inner voice and creativity to manage their workplace and their people to engender an enthusiastic and committed workplace.

Agenda

- Your personal profile
- Using your hidden skills
- Making the most of your personal power
- Handling the stress & lack of energy
- Developing the mindset
- Establishing your game plan
- Your application for the differences
- Allowing your intuition to guide your direction & approach

Resources

- A participant's manual, readings and practical
